

CAN YOU GIVE A GREYHOUND A GOOD HOME?

Greyhounds are loving, undemanding and loyal. They live to please you, and in return ask only for a warm bed, a full tummy and a couple of twenty minute walks a day. Many greyhounds will live happily with small furries.

If you can give a home to one of our lovely hounds or could help by fostering a dog we would love to hear from you.

Greyhound Rescue South Yorkshire is a non-profit organisation run entirely by volunteers and funded by donations, all of which go directly to the hounds.
